1 INSPECTION PROCEDURE

2
3 Parent(s) of students and eligible students* may inspect and review the student's education records upon
4 written request.¹

5
6 Parent(s) or eligible students shall submit to the records custodian a request which identifies as precisely
7 as possible the record(s) that he/she wishes to inspect, and the records custodian will contact the same to
8 discuss how access will best be arranged as promptly and practicable as possible. This inspection
9 procedure must be completed within 45 days from the receipt of the request.

10
11 The right to inspect and review educational records includes the right to a response from school officials
12 concerning requests for explanation and interpretation of the data. School officials shall presume that the
13 parent has the authority to inspect and review records relating to his/her child unless the school system
14 has been advised that the parent does not have the authority under applicable state law governing
15 guardianship, separation, and divorce.²

16
17 When a record contains information about students other than the parent's child or the eligible student,
18 the parent(s) or eligible student may not inspect and review that information.²

19 FEES FOR COPIES

20
21 A reasonable fee for copies provided to parent(s) or eligible students* will be determined by the
22 superintendent. A maximum of three (3) copies of the transcript will be provided free of charge. If the
23 fee represents an unusual hardship, it may be waived in part or entirely by the records custodian.³

24 CORRECTION PROCEDURES

25
26 Parent(s) of students or eligible students* may seek to change any part of the student's record they believe
27 to be incorrect. ⁴ The director of schools shall develop an acceptable procedure to establish an orderly
28 process to review and correct an education record.

29
30 *The student becomes an "eligible student" when he/she reaches age 18 or enrolls in a post-secondary
31 school, at which time all of the above rights become the student's right
