

Grainger County Board of Education

Monitoring: Review: Annually, in May	Descriptor Term: Student Activities	Descriptor Code: 6.700	Issued Date: 10/20/98
		Rescinds:	Issued:

1 The student activity program and organizations are an extension of the academic curriculum and are
2 intended to complement the basic instructional program. Each sponsor will treat student activities with
3 the same attention given regular classes; i. e., plan and evaluate the activity and make recommendations
4 concerning changes, continuance, or deletion from the school's activity program.

5
6 All student activities after or before school hours must be under the supervision of the principal or a
7 teacher designated by the principal.

8
9 There will be no school sponsored student activities which would conflict with church hours, with the
10 exception of those activities directly related to religious observances or Baccalaureate services.

11
12 School sponsored student activities during vacation periods will be restricted to regularly scheduled
13 athletic programs and major events which cannot be scheduled otherwise.
