		Rescinds:	Issued:

1 Events which enhance social development may be conducted by schools but must not interfere with the  
2 scholastic program in any school. No parties honoring individual students or teachers will be allowed  
3 during the school day without administrative approval.  
4

5 Student organizations may sponsor social events which are planned under the guidance of club sponsors  
6 or school administrators, scheduled well in advance, and serve to complement the curricular program.  
7 Minimal admission fees may be charged to defray costs.  
8

9 Social events scheduled for out-of-school hours shall be approved by the principal. Activities scheduled  
10 outside of the system must be approved by the director of schools and/or the Board.  
11

12 Parties, dances, or any other events held at school, sponsored by the school, organized by a particular  
13 group or which uses club or class funds shall be approved by the sponsors and the administration. Ad-  
14 equate supervision must be secured.  
15

16 Social events will involve only those students enrolled in that particular school. Exceptions may be  
17 made by club or class sponsors upon approval of the principal.
