

TROY ISD

12-17-11

Dear Parent,

Attached you will find copies of the State of Texas 2010-11 School Report Cards for each campus in **Troy ISD**. These are reports required by the Texas Legislature and prepared by the Texas Education Agency. They are to be sent to the parent or guardian of every child enrolled in the public schools. The reports provide information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

The information contained in the School Report Cards are required by state law and are briefly described in the “2010-11 School Report Card Definitions” found at www.tea.state.tx.us. The report for each campus may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the information be provided for the state, the district, the school, and a group of schools similar to our school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found on the internet at:
