

Tyler County Schools Wellness Committee Agenda

November 14, 2018 at 3:50 pm

1. Welcome Introductions

2. Health and Physical Education

- We received our Mini Annie's for the hands only CPR training for 7th graders. I have also talked to Shawna Miller and she has agreed to help with the training of our 7th graders. We need to come up with a date so we can do the training.
- WVAHPERD Conference was really good and Chad Snider, Gwen Davies and myself attended the conference. We were well represented.
- Software for FITNESSGRAM – this should finally be up and running. I still have two students that have not been added.
- Reminder to do the HEAP and FITNESSGRAM testing.
- FITNESSGRAM software needs the license to be renewed by January 15, 2019 for the county.
- Water Stations – Students were wondering if we could ask Mark West for funding for water stations for Middle and High School?

3. Activities for Amanda Kimble

- Pop-Up Farmers Market Follow-Up
- Summer Food: Mobile Feeding Initiative
- Action Work Plan for 2018-19
- Jump with Jill Assembly at AIB and SES - FRN, WVU Extension, and Elks
- AIB 1st Grade Teachers - School Gardening Initiative
- Food For All Summit

4. Any other Business

5. Wellness Committee Dates – All Wellness Meetings start at or about 3:50 and location is in the old Board Office as it has been in the past.

- February 20, 2019 (Wednesday)
- April 24, 2019 (Wednesday)
