

REVENUES FROM NONTAX SOURCES

All fees, payments or rentals are quasi-public moneys and remain within the authority of the Board of Education. Pursuant to state law, records shall be kept of all receipts and disbursements of all funds collected or received by any school employee, student or other person in connection with any programs, activities or other endeavors of any nature operated or carried out by or in the name of the school; to audit such records; and to conserve such funds.

The Board according to law and the intent of the instrument conferring title, shall receive, hold and dispose of any gift, grant, or bequest.

Any tuition, fees, or rental fees paid to the Board shall be received and used for general expenses, unless otherwise designated for a specific purpose.
