

TYLER COUNTY SCHOOLS
ASE CERTIFICATION

In order to provide a way to improve the skills, knowledge and training of school bus mechanics, Tyler County Schools will pay a \$40 per calendar month supplement for each of seven categories related to school buses when passed on the national testing program Automotive Service Excellence (ASE), with a maximum of \$280 per month. The categories are as follows:

1. Body Systems and Special Equipment
2. Diesel Engines
3. Drive Train
4. Brakes
5. Suspension and Steering
6. Electrical/Electronic Systems
7. Air Conditioning Systems and Controls

The mechanic will be responsible for the initial testing fee, but upon passing, the fee will be reimbursed by the County. Tyler County Schools will also reimburse the mechanic for travel costs at the current rate of reimbursement. ASE certification only applies to full time mechanics.
