

TYLER COUNTY POLICY: GAG

NONREHIRING OF PROBATIONARY PERSONNEL

The Superintendent at a meeting of the Board on or before April 15 of each year shall provide in writing to the Board a list of all probationary teachers and service personnel to be recommended for reemployment for this next ensuing school year. Any probationary employee who is not rehired at that meeting shall be notified, in writing, by certified mail, within ten (10) days following that Board meeting.

The affected employee shall be entitled to certain due process rights, including a right to a hearing before the Board. Specific procedures are delineated in the Administrative Procedures Manual.
