

STUDENT INSURANCE

The Board of Education shall annually approve one commercial company to act as official agent for student insurance which shall be offered to all students in Tyler County Schools. The cost is to be paid by the purchaser and Tyler County Schools in no way represents the commercial company or has any responsibility as to payment of claims.

Students who wish to participate in any SSAC (Secondary Schools Activity Commission) sanctioned event must have proof of insurance.

Any student who does not have medical insurance is urged to enroll for this coverage.
