

FREE SCHOOL MEALS

Tyler County Schools

now offers free meal service to all students in grades Pre K—12 at Arthur I. Boreman Elementary, Sistersville Elementary, Tyler Consolidated Middle, and Tyler Consolidated High Schools.

This is made possible by USDA and its Community Eligibility Provision (CEP). CEP is a universal free meal service option in which schools receive both breakfast and lunch at no charge. Tyler County Schools highly encourages all students to take advantage of this free program for both breakfast and lunch. If a cold lunch student currently purchases an extra milk for \$.40, please consider allowing the student to go through the line to receive an extra milk with additional breakfast/lunch items for free. The additional food items can be used to help supplement the cold lunch as well as to help benefit the continuation of this program in future years. Your help and support to continue this program for all students is greatly appreciated.

If you have any questions or concerns, please do not hesitate to contact Amanda Kimble at **1(304) 758-2145**.
