Tyler County Schools

Wondering when your child's report card will be sent home, or if the English grade is improving?

Maybe you want to know when there is a musical concert or the next sporting event ?

▶ We have an APP for that!

Tyler County Schools has launched a new, free mobile app.

This app provides a convenient way to connect with your district/ school and access all the information you need – right on your mobile device. Parents can customize the app so they receive news and information from their children's schools.

Receive notifications on school closings and late-breaking news. Check out lunch menus or visit Parent Online to view your balance or pay for school meals.

The directory gives you contact information for your school.

This new app is an all-in-one source for your school needs. Download the free Tyler County Schools mobile app today – available in the <u>Apple App store</u> or the <u>Google Play Store.</u>
