

A CAMP THAT IS CHANGING A CULTURE

Tek2Go Advanced Manufacturing Camp for Students June 8-12, 2020

Who?

6th-8th graders in Chickasaw, Itawamba, Lee, Monroe, Pontotoc, and Union Counties

What?

Design and complete projects using state of the art manufacturing processes. Weld, paint, machine, and tour local industries. Meet new friends, and gain knowledge of valuable resources that will help you become a successful adult. Learn about great career opportunities in North Mississippi for a prosperous future.

How?

Every student must be recommended by an educator.

Deadline: April 30

This camp is a coordinated effort between Itawamba Community College, Hawkeye Industries and Community Development Foundation. The program is endorsed by Nuts, Bolts, & Thingamajigs, The Foundation of the National Fabricators and Manufacturers Association, and funded by the Toyota Wellspring Education Fund.

You have never attended a camp like this before!

Explore. Experience. Learn.

EXPLORE good things you did not know about a possible career in manufacturing. EXPERIENCE fun through doing hands-on projects on some of the latest computerized working machines. LEARN what mechanical drawings, basic electronics, machine tools, and industrial processes are all about.

Where?

Itawamba Community College
Belden Center

Time?

8:00 a.m. - 2:00 p.m.

Cost?

NO COST thanks to a grant from the Toyota Wellspring Education Fund but registration is required
