

SUBSTITUTE TEACHERS

The chief school administrator shall make provision to employ the services of substitute teachers in order to maintain the effective operation of the educational program.

The board shall approve potential substitute personnel and the positions in which they may substitute. Teacher substitutes must have at least a valid substitute teaching credential issued by the Executive County Superintendent, and preferably hold a degree.

Any substitute teacher shall be entitled only to the wages approved by the board on a per diem basis, and to no other benefits.

Persons employed as aides may not perform as substitutes for professional employees unless they are board-approved substitute teachers.

The chief school administrator shall recruit, screen and recommend to the board candidates for employment as instructional substitutes. He/she shall:

- A. Develop procedures for the assignment of substitutes;
- B. Develop methods of evaluating substitute teachers and recommend the retention on the board's approved substitute list of those substitutes who have performed their duties satisfactorily.

Vacant Positions and Use of Substitutes

It is the goal of the district to provide continuity in the educational program by employing permanent qualified teaching staff. When a position in the district is vacant, the district shall observe the limits as provided for in law, in the employment of substitute teachers.
