Dear Parents/Guardians of 3rd through 8th grade Students:

As you are aware, we will be conducting the PARCC tests in accordance with the New Jersey Department of Education. In addition to PARCC testing in English/Language Arts and Mathematics, we will be administering the required NJASK testing in Grades 4 and 8 in Science.

It is imperative that you plan ahead so that your child is present during their testing sessions. Please take careful notice of the dates below in order to be sure your child is present at the testing time. If you have any questions, please do not hesitate to contact your building principal or guidance counselor.

PARCC practice tests may be found at <https://parcc.pearson.com/practicetests/english/> for English/Language Arts and at <https://parcc.pearson.com/practicetests/math/> for Mathematics. NJASK Science information can be found at <http://www.state.nj.us/education/assessment/njask/>

Thank you,

Mrs. Eileen Johnson
 Superintendent
