March, 2017

Dear Parents/ Guardians,

There has been an update to the testing calendar for both Ventnor Elementary and Middle Schools. Please be advised of the updated testing dates.

- Ventnor Middle School, 5th - 8th grade: Monday, May 1st – Monday, May 8th
- Ventnor Elementary School 3rd and 4th grade: Tuesday, May 9th – Tuesday, May 16th
- NJASK Science, 4th and 8th grade: Wednesday May 31st

Testing will begin at 8:45 AM each morning and will end at the designated time for the subject and unit that is being tested.

In order for our students to be the most successful, we would like you to follow these suggestions during the week of testing:

- 1) Please be sure that your child has plenty of sleep each night.
- 2) Please be sure that your child attends school each day, ON TIME!
- 3) Please provide a nutritious breakfast for your child each day.
- 4) If your child eats breakfast here at school, they should be here no later than 8:15 AM.
- 5) Please do not schedule any appointments for your child during this week.
- 6) Parents/ Guardians please avoid coming to school from 8:30 AM – 12:00 PM during this week.
- 7) Encourage your child to do their best each day.

With your collaboration and support we anticipate fantastic results. If you have any additional questions or concerns regarding testing, please feel free to call me at (609) 487-7900 x 5300.

Sincerely,

Jenna R. Polise
District Testing Coordinator
Elementary School Counselor
