**National Prevention Week Theme**— Underage Drinking and Alcohol Misuse

Fact: 17.6 million people, or one in every 12 adults, suffer from alcohol abuse or dependence. (Source: National Council on Alcoholism & Drug Dependence, 2015)

When you're young, drinking alcohol can make learning new things more difficult. People who begin drinking before they turn 15 are more likely to develop a drinking problem at some point in their lives than those who begin drinking at age 21 or older. (Source: SAMHSA, 2018)
