### Adopted Budget Message for the 2013-2014 Fiscal Year

The Budget Assumptions outline the anticipated revenue and expenditures for next year and were used to develop this **Approved Budget** for the 2013-14 Fiscal Year. The budget document is aligned with accepted accounting standards and ODE fund accounting recommendations.

The General Fund budget (Fund 100) includes revenue of **\$6,287,809** which is an increase of **\$343,687** or **5.78%** from last year (\$5,994,122). The revenue figures are based on the March 30 State School Fund (SSF) Estimates (see Appendix for detailed SSF information) and an increase in anticipated VEF donations to cover both construction loans.

For the past few years we have predicted increases in student population. However those increases have not occurred and our current attendance (May 2013) is at **537.5 ADMr** (Average Daily Membership *regular* - which counts kindergarten students as one half). Though still projecting growth, we are using a more conservative estimate of **560 ADMr** for the 2013-14 school year. This number, when adjusted for special education, poverty and other student classification categories, becomes the *weighted* ADMw and is was estimated at **769.5 ADMw** for next year (see Proposed Budget Appendix for detailed ADMr and ADMw calculations and estimates). ***It should be noted that if these projected student increases do not materialize by the end of September and projected SSF adjustments hold true then corrective budgetary action should be taken.***

#### **General Fund**

While we have lost revenue due to our lower student count, the funding we will receive from the state does not meet our current needs. This approved budget increases the reduction in contract days in order to restore staffing positions. The budget has been brought into balance by:

- Cutting an additional five (5) days bringing the total to ten (10) days cut where all staff in the district will not report to work.
- Reducing most supply budgets by 20%.
- Not replacing a retiring teacher, and only partially replacing a teacher who has indicated they are resigning, eliminating two part-time classified positions, significantly reducing the business manager position, and cutting the superintendent position to .5 FTE.

## **Vernonia School District 47J**

### **Adopted Budget Message for the 2013-2014 Fiscal Year**

We are planning on receiving a number of different grants, which are being used to help pay for professional development in the district. We will receive approximately \$20,000 for Vernonia Elementary School's Focus School improvement work and anticipate receiving an ODE Collaborative Grant again. Together these two grants should bring at least \$75,000 to the district.

The General Fund budget includes a contingency fund and an unappropriated ending fund balance totaling **\$119,280** or just **1.9%** of the general fund budget. This **should be at least 5%**, but we are managing with this reduced amount rather than make any additional cuts.

#### **Special Funds**

The Special Fund accounts that receive federal funding are being budgeted based on state provided estimates that show considerable decreases due to the sequestration of federal funding: Fund 202 - 8.2% (IDEA - special education), Fund 207 - 7% (REAP - small schools allowance), Fund 210 - 9% (Title IA - basic reading and math), and Fund 208 - 10% (Title IIA - used for professional development and to supplement Title IA staffing). Funds 201, 204, 205, 206, and 211 are no longer being funded.

With the completion of the new schools our Fund 280 Capital Reserve will be used to track construction loan payments, the completion of the demolition, and replacement park construction. The fund is budgeted at \$2,025,000 an increase of \$330,000 to account for the roof mounted solar system and a gym/commons sound system.

#### **Summary**

This budget is built on the premise that our students will benefit with fewer days and higher quality programs, rather than more days with fewer program offerings. This budget does not meet the current needs of the district, but it fulfills our fiscal responsibility to the patrons of the Vernonia School District.

Sincerely,

Kenneth W. Cox, Ph.D.  
Superintendent

## 2013-2014 Budget Assumptions

### Vernonia School District General Fund Budget Assumptions for the 2013-2014 fiscal year

#### REVENUE

|                                |   |
|--------------------------------|---|
| Student Enrollment             | <p>As of May 1, 2013 enrollment was 537.5 (ADMr). Our December 2012 state estimated membership, revised on March 30, 2013, includes an enrollment of 560 ADMr students based on current enrollment with grade levels rolled up one year and the following projected increases:</p> <ul style="list-style-type: none"><li>○ <b>530</b> currently enrolled students and 20 new kindergarten ADMr (40 actual students),</li><li>○ <b>7</b> Vernonia students attending a district not receiving State School Funding,</li><li>○ <b>7</b> replacement Foreign Exchange (FE) students,</li><li>○ <b>16</b> new move-in students.</li></ul> <p>The Average Daily Membership Weighted (ADMw) is estimated at 769.5, a decrease of 20.5 from last year's estimate of 790.</p> |
| Donations/VEF                  | <p>We are only estimating \$3,000 in general donations and \$5,500 as matching for the COPS grant. Most donations now are going through VEF. The VEF contribution is based on fundraising efforts to provide reimbursement to the district for the QSCB SSF intercept (\$211,200) and Cool Schools Loan costs (\$84,324).</p>   |
| <b>State School Fund*</b>      | <p>State School Fund (SSF) is based at this time on a preliminary estimate received March 30, 2013 from ODE. It is based on the \$6.55 billion projection for the 2013-2015 biennia and includes projected small high school grant and projected high cost disability reimbursements. There may be an additional reduction of funding in May 2014 due to adjustments for actual enrollment for 2012-2013.</p>   |
| <b>Property Taxes*</b>         | <p>Columbia County current year property tax revenue will be based on history over last five years of actual revenue vs. estimate from county – 90.26% (based on county estimate dated 2-27-13) <u>\$1,955,000</u>.<br/>Washington County estimate will remain flat. <u>\$28,000</u><br/>Prior year tax revenue estimate based on this year. <u>\$110,000</u></p>   |
| Interest Earnings              | <p>Interest earnings will be budgeted significantly low due to low Federal Funds rate set by the Federal Reserve.</p>   |
| Beginning Fund Balance         | <p>At this time, the estimated Beginning Fund Balance (BFB) as of July 1, 2013 will be \$64,000</p>   |
| ESD Revenue                    | <p>ESD flow-through funds will increase based on small increase in allocation as well as staffing changes which are reflected in budget expenditures.</p>   |
| <b>State Timber*</b>           | <p>Budgeted State Timber revenue will be based on previous and current year receipts.</p>   |
| Rental income                  | <p>Rental income will be based mainly on facility use fees and the rental of office space on the lower level of the district office on Texas Avenue.</p>  |
| Other Restricted Grants-In-Aid | <p>This revenue will be estimated based on grants known at the time of budget publication. In general revenues and expenditures for individual grants will be budgeted equally depending on the purpose of the grant.</p>   |

## 2013-2014 Budget Assumptions

### EXPENDITURES

1. Salaries Licensed staff is covered under a current VEA contract which spans 2012-2015. This contract calls for flat funded health insurance, no COLA, step increase for those eligible, and 180 days of service. While classified staff are negotiating their current contract this spring this budget includes a 2.2% COLA and step increases.
3. Health Insurance The health insurance will remain at \$1,150/month/employee for all employees.
4. PERS Last September the PERS Board released employer contribution rates for the biennium beginning July 1, 2013. The District's rate for Tier 1 and Tier 2 employees is projected as 26.69% of eligible salary, an increase of 7.21% over the current rate. The rate for OPSRP (Tier 3) employees is projected as 24.69%, an increase of 6.72% over current costs. If the current PERS reform legislation passes the increase for these two groups would be 2.78% and 2.32% respectively. **The district is budgeting based on PERS reform passing.**
6. Utilities The 2013-2014 utility projection will increase from the 2012-2013 budget, and is currently being estimated at an 18% overall increase, which is based on actual costs at new facilities only.
7. Liability Insurance Because we have a new building our insurance costs have increased. In addition, liability costs across the industry have also increased resulting in additional expenditures in this category.
8. Transportation Transportation costs are projected to be close to actual expenditures in the current year with no CPI-U or fuel increase.
9. Contingency The suggested contingency fund is \$67,662 and an unappropriated ending fund balance of \$50,000. Together these funds constitute 1.9% of the general fund budget rather than the recommended 5%.
10. Special Funds The district receives about \$350,000 in funding from the federal government. Because of the sequestration of federal funding we are expecting a 7% reduction resulting in a loss of nearly \$20,000 across all funds.
