

Vidalia City School District

Parental Involvement Policy

2017-2018

Revised August 2, 2017

301 Adams Street, Vidalia GA 30474

www.vidalia-city.k12.ga.us

(912) 537-3088

What is Parental Involvement?

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) That parents play an integral role in assisting their child's learning.
- (B) That parents are encouraged to be actively involved in their child's education.
- (C) That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- (D) The carrying out of other activities, such as those described in Section 1116 of the ESSA.

About the Parent & Family Engagement Policy

In support of strengthening student academic achievement, the Vidalia City School District (VCSD) has developed this parental involvement policy that establishes the district's expectations for parental involvement and guides the strategies and resources that strengthen school and parent partnerships in the district's Title I schools. This plan will describe VCSD's commitment to engage families in the education of their children and to build the capacity in its Title I schools to implement family engagement strategies and activities designed to achieve the district and student academic achievement goals.

When schools, families, and communities work together to support learning, children tend to do better in school, stay in school longer and enjoy

school more. Title I, Part A provides for substantive parental involvement at every level of the program, such as in the development and implementation of the district and school plan, and in carrying out the district and school improvement provisions. Section 1116 of the Every Student Succeeds Act of (ESSA) contains the primary Title I, Part A requirements for schools and school systems to involve parents and family members in their children's education. Consistent with Section 1116, the VCSD will work with its Title I schools to ensure that the required school-level parental involvement policies meet the requirements of Section 1116(b) and each include, as a component, a school-parent compact consistent with Section 1116(d) of the ESSA.

Jointly Developed

Last May, a meeting was held in the Vidalia City School District where all parents were invited to participate and provide suggestions and ideas to improve this district parental involvement policy for the 2017-2018 school year. The district sent notice to all parents informing them about this meeting and posted an announcement on the school district website. During this meeting, parents also reviewed and discussed the Comprehensive LEA Improvement Plan (CLIP). Additionally, each Title I school used reviewed this policy in conjunction with our comprehensive needs assessment before the end of the school year.

Upon final revision, the district parental involvement policy was incorporated into the CLIP which was submitted to the state. Parents are welcome to submit comments and feedback regarding the policy at any time on the school district website or by submitting written comments to your child's school. All feedback received was included with the policy for this school year.

The district policy was posted on district and school websites, distributed during the annual Title I school meetings early this school year, and made available in the schools' parent resource centers.

Strengthening Our School

This year, the district parent involvement coordinator (PIC) will provide assistance and support to all Title I schools to ensure parental involvement requirements are being satisfied and that parent engagement strategies and activities are being implemented. Title I schools will receive notifications and resources from the district and the PIC to help them improve and strengthen family engagement. In addition to frequent communication and school visits, the district and the PIC will hold monthly meetings and trainings with its Title I schools' principals and school PICs to review family engagement plans and activities. Additionally, the district will convene in December & again in May for principals and PICs to review parental involvement requirements and plan opportunities for parental involvement activities and meetings for the remainder of the school year.

Reservation of Funds

The VCSD will reserve 1 percent from the total amount of Title I funds it receives in FY18 to carry out the parental involvement requirements listed in this policy and as described in Section 1116 of the ESSA. Furthermore, the VCSD will distribute 90 percent of the amount reserved to all Title I schools to support their local-level parental involvement programs and activities. The district will provide clear guidance and communication to assist each Title I school in developing an adequate parental involvement budget that addresses their needs assessment and parent recommendations.

VCSD will host a School Improvement Forums during the year to allow for opportunities for parents to provide suggestions on how these parental involvement funds will be used in the upcoming year at the district and school-level. VCSD will provide comment cards and minutes of these meetings to allow the district to determine the areas of need for the upcoming school year. Other opportunities via social media, school/system websites will be afforded to parents who cannot attend the meetings. We look forward to your input!

Opportunities for Parent Consultation

Input and suggestions from parents are an essential component of the district and school improvement plans that are developed each year. All parents of students eligible to receive Title I services (JD Dickerson Primary, Sally D. Meadows Elementary, JR Trippe Middle) are invited to attend two meeting opportunities described in this section to share their ideas and suggestions to help the district, schools, and students to reach our student academic achievement goals.

State of the District Meeting ~ May 8, 2018

All parents are welcome to hear the latest updates from the Vidalia City School District as well as review and provide input into the district parental involvement policy and the Comprehensive LEA Improvement Plan for the 2018-2019 school year. Notices regarding this meeting will be sent to all parents in advance of the meeting. The district will also communicate information regarding this meeting on the school district website.

School Improvement Meetings ~ May 1-3, 2018

During this week, Title I schools will afford parents the opportunity to participate in roundtable discussions to review the schoolwide plan, the school's parental involvement policies as well as provide input on the parental involvement budget and parental involvement programs. Title I schools will send notification to parents about the date, time and opportunities at the meeting. Information regarding this will also be made available on the school websites.

Parents can also give input on the use of Title I funds to support parental involvement programs through the annual district survey during this time. The survey will contain questions related to the parental involvement budget as well as a section for parents to provide their comments.

Scan the code with your smartphone or tablet to access parental involvement information from the Title I VCSD website.

Building School and Parent Capacity

The VCSD will build the schools' and parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the Title I schools, parents, and the community to improve student academic achievement through the following districtwide activities and programs.

The VCSD will work with a district and through its Title I schools to provide assistance to parents in understanding state and district academic information connected to their student's learning and progress, as well as information regarding the Title I program. The VCSD will provide meetings for parents to gain knowledge about the state-adopted standards and the achievement standards, as well as the required assessments for Georgia students including alternative forms of assessment. The dates and locations for these classes will be posted on the district website and shared through each Title I school's newsletter.

The VCSD will also provide a page on the district/school websites that will contain resources and materials, including parent guides, study guides, and practice assessments, to help parents work with their children at home. Copies of these materials will be made available at all Title I schools for those families who may have limited internet access, including copies in Spanish. To assist parents with understanding the online student information system and other digital educational resources, the VCSD media/technology department will partner with Title I schools to host opportunities for parents. Dates and times for these events will be determined and announced by each individual school.

The VCSD will coordinate and integrate the district's parental involvement programs with the Head Start program and other state funded preschool programs in the district by inviting faculty and staff from those programs to attend planning meetings focused on parent engagement activities. In the spring, the elementary schools will host "Operation School Ready" days so parents may tour the schools and receive information to help prepare them and their children for school or transitioning to a new school within our district. The VCSD will also coordinate with these programs to ensure that parents are informed about available resources.

To ensure that information related to district, school, and parent programs, meetings, and activities is available to all parents in an understandable and uniform format, each Title I school will provide a districtwide calendar of events with information for parents at the beginning of the year. Parent notifications and resources will be sent home in parents' native language, where applicable, and interpreters will be available at parent events and meetings. Information posted on the district website will be translated to the extent practicable. The district will also utilize school telephone systems, school websites, local news media, and other school message systems to post information for parents.

The VCSD will conduct three trainings during the school year for administration and to learn and discuss strategies to increase parent engagement, improve school-family communication, and build ties with parents and the community. These trainings will be redelivered to the faculty and staff of Title I schools. The district parent involvement coordinator will also provide opportunities for visits to each Title I school to review and discuss parental involvement requirements and initiatives. The VCSD will host a training for appropriate school staff and faculty that will focus on creating welcoming environments and improving two-way communication with families.

The VCSD has established a districtwide Parent Advisory Council comprised of parent representatives from each Title I school's council to provide advice on all matters related to parental involvement in Title I, Part A programs. Community leaders and business partners will be invited to serve on this council.

Parental Involvement Evaluation

Each year, the VCSD will conduct an evaluation of the content and effectiveness of this parental involvement policy and the parental involvement activities to improve the academic quality of the Title I schools through an annual parent survey and the School Improvement Meetings.

Beginning in April, each Title I school will provide various ways for parents to complete a survey regarding the parental involvement activities and programs. These surveys will also be posted on the district and school websites for parents to complete. In addition to the

annual survey, each Title I school will also use the School Improvement Meetings to facilitate group discussions to discuss the needs parents of children eligible to receive Title I services to design strategies for more effective parental involvement.

The ACSD will use all the findings from the school meetings and the survey results to design strategies to improve effective parental involvement, to remove possible barriers to parent participation, and to revise its parental involvement policies.

Accessibility

In carrying out the parental involvement requirements established by Section 1116 of the ESSA, the district parent involvement coordinator will communicate and collaborate with the Office for Student Support Services to ensure full opportunities for participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children including providing information and school reports in a language parents can understand.

Adoption

This districtwide parental involvement policy has been developed jointly and agreed upon with parents of children participating in Title I, Part A programs as evidenced by the collaboration of parents, school, and district personnel at the annual State of the District meeting.

This policy was adopted by the Vidalia School District on July 11, 2017 and will be in effect for the 2017-2018 academic school year. The school district will distribute this policy to all parents of participating Title I, Part A children on or before September 1, 2017.
