Voluntown Board of Education Mission Statement

The Voluntown Board of Education commits to providing our students the basic skills essential to competent functioning in our society, including their ability to read, write, listen, speak, manipulate basic math concepts, and acquire a general knowledge of science. It is, therefore, our mission to help our students mature into independent, reasoning, and responsible individuals, who can adapt constructively in an ever-changing, multi-cultural, & technological world. (April 2004)

Public Comment Disclaimer

The Board welcomes public participation and asks that speakers please limit their comments to five minutes. Speakers may offer objective comments of school operations and programs that concern them. To protect the impartiality of the board, we will not permit any expression of personal complaints or defamatory comments about Board of Education personnel and students, nor against any person connected with the Voluntown Public Schools. Such issues should be brought to the school administration. The board will not respond to comments made during public comment, except to clarify issues. When appropriate, district administration will follow-up at a later point in time.
