

SINA Notice for Wapello Elementary:

This is a notice to parents and community members. Wapello Elementary School has been designated as a "School in Need of Assistance," or SINA under federal guidelines because a portion of our students did not reach proficiency goals on their reading tests for two consecutive years.

As a result, our district is required by law to offer your student the opportunity for school choice to another school within the district that has not been designated as a school in need of assistance, if possible, for the 2014-2015 school year. At Wapello Community School District there is no other elementary school available for school choice.

Please know that the SINA designation refers to federal criteria. We remain a fully accredited school in complete compliance with State of Iowa regulations.
