Please dispose of gum in the trash cans, DO NOT leave it on the lunch tray, if it gets over looked it causes a huge mess in the disposal not to mention extra time for our Kitchen Staff.

As we all prepare for the colder time of year, remember to take a little extra time to allow the frost clear and take it a bit more slowly as we approach the season of slick roads. A fastened seat belt and few extra minutes can save a life. Drive with caution!

With all the flu and sickness this time of year please take the time to use the hand sanitizer by the lunchroom door before and after your meals, please remember to use it appropriately!
