

Easily Access Canvas

There are several ways to log on to Canvas. One of the easiest and most reliable ways to do this is to use your Google Apps Launcher Button. This method works on both Windows and Chromebook devices for both students and teachers.

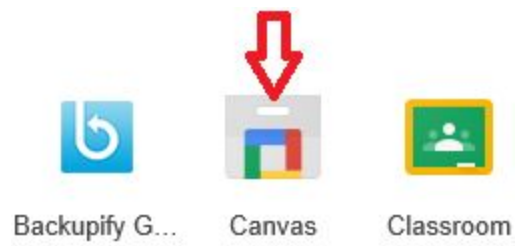

1. Log into your Google account and sign into your Gmail or Google Drive.
2. Click the Google Apps Launcher button in the upper, right-hand corner.

3. Click the “More” button at the bottom, or use your scroll wheel on your mouse to move the list to the bottom.

4. Single-click the “Canvas” icon.

More from Apps Marketplace

Once you do this, a new tab should open up, and you will be automatically authenticated to Canvas
