

How to Access Reading Counts

1. Log in to a Chromebook.
-OR-
On a Windows/Mac computer, open up a browser and sign in to your email.
2. Open a new browser tab and go to <http://www.warsawk12.org>.
3. Click the “Students” banner at the top of the district website.

4. This will redirect you to Clever which will ask you for your Google authentication; click the “Log in with Google” button.

Warsaw School District R9

Not your district?

5. Once you are on the Clever portal, click on the “SAM Reading Counts” icon.

Reading Counts

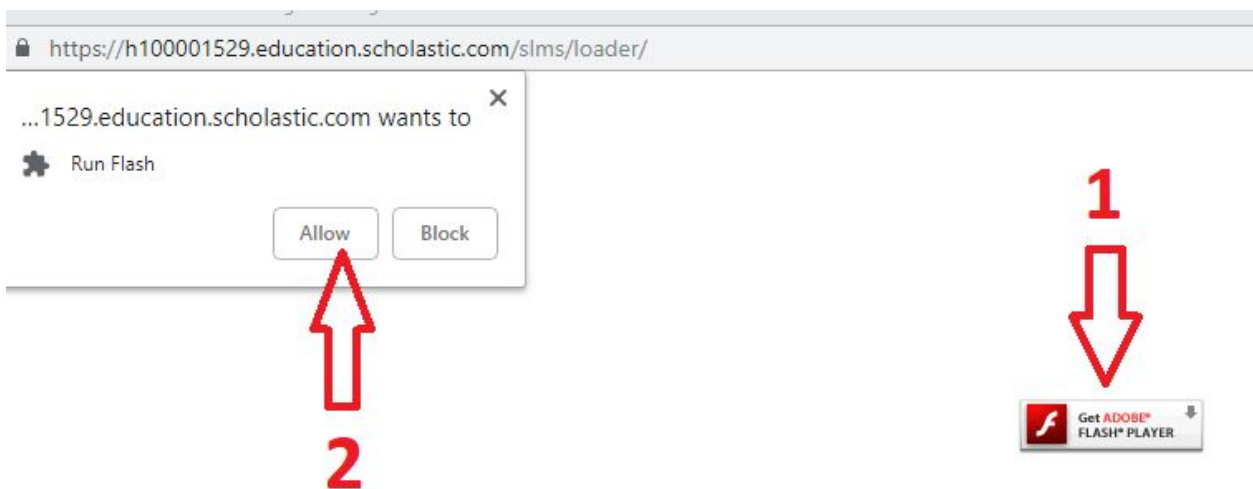

6. Teachers will then click on the SAMWeb icon that is presented to them; Students will then click on the Reading Counts icon that is presented to them.

OR

7. At this point, you *may* be presented with a button asking you to get Adobe Flash Player. If so, click the button first and then click the “Allow” button on the pop-up.

8. You will now be directed to Reading Counts.
