

How to Access ThinkCentral

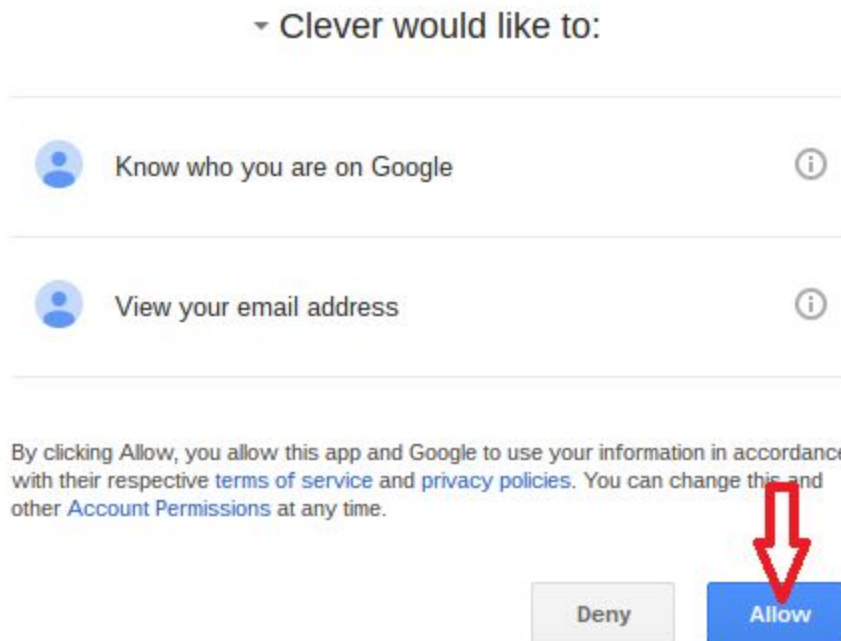

1. Log in to a Chromebook
-OR-
On a Windows/Mac computer, open up a browser and sign in to your email
2. Open a new browser tab and go to <http://www.warsaw12.org>
3. Click the “Students” banner at the top of the district website

4. This will re-direct you to Clever which *may* ask you for your Google authentication; click the “Log in with Google” button

5. Clever may then ask for permission to use your Google credentials for its applications; if so, click the “Allow” button

6. The Clever dashboard will open up; click the “ThinkCentral” button

7. You will now directly be authenticated to ThinkCentral
