

Warsaw R-IX School District utilizes the SIS Parent Link. Through this web-based system, you will be able to view your child's current attendance, schedule, and grades.

Information for your child is available only with a password. All passwords are distributed through e-mail. It will be your responsibility to keep this password private. We cannot issue any passwords via phone conversation. Passwords will not be issued to school children. You must have an e-mail address to view your child's records in Parent Link.

Please provide the email address that you would like used for student information notifications and return this form to your buildings office. You will receive an e-mail containing log-in information shortly thereafter.
