

**ADDENDUM #2**  
**HIGHWAY 79 CORRIDOR AUTHORITY**  
**RFQ 18-2**

**PLANNING, COMPREHENSIVE PLAN, LAND DEVELOPMENT CODE,  
FUTURE LAND USE MAPS & RELATED SERVICES**

**DATE: November 9, 2018**

Please note the following changes and answers to questions received regarding the above-referenced RFQ:

**1. Submission of proposal via CD, Pages 1, 12 Section 5.0**

In response to a question concerning submission of the required electronic copy of the proposal via CD, please note that submission via flash drive/USB drive shall also be acceptable.

**2. Submission of proposal via two separate binders, Page 12, Section 5.0**

In response to a question concerning submission of the proposals in two separate tabbed binders, please note that proposals may be organized in a single binder, or multiple binders, so long as they are tabbed in accordance with the provisions of Section 5.0.

**3. Question concerning Draft Contract, Appendix D**

In response to a question concerning whether the Draft Contract in Appendix D must be returned fully executed, please note that such Draft Contract does not need to be returned signed with the proposal. The Draft Contract is intended to place each proposer on notice of the terms and conditions that shall be applicable to the successful proposer's performance of the scope of services.
