Single Subdivision (i.e., sub-divider is applying to divide and sell off only one lot). This is to be approved by the Planning Commission \$50

Minor Subdivision will be required to pay both the Preliminary Plat Fee and the Final Plat Fee simultaneously.

The developer/sub-divider will be additionally charged for the cost of all inspections necessary by the County Engineer or his designee to certify that all improvements are constructed according to specifications. The cost of these inspections and resulting certification will be based on the number of inspections required and the County's Contractual Rates for the provision of such services. Such fees incurred will be required to be paid by the developer/sub-divider prior to Final Plat Certification by the Board of County Commissioners.

Concurrency Reviews & Issuance of Concurrency Certificates will be included as part of the other development reviews. No additional fee will be charged for the service.
