Re: No Child Left Behind (NCLB) Act, section 1111 (h)(6)(A)

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title 1 funds. The federal No Child Left Behind (NCLB) Act requires that any local school district receiving Title 1 funds must notify parents that they may ask about the professional qualifications of their classroom teacher.

These qualifications include:

- 1) Whether the teacher has met the Ohio teacher licensing criteria for grade level and subject areas in which the teacher provides your child instruction.
- 2) Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
- 3) The undergraduate degree major of the teacher and any other graduate degree or certification (such as national board certification) held by the teacher and the field of discipline or certification or degree.
- 4) Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

If you have any questions, please contact your child's principal.

Sincerely,

Richard Bereschik, Superintendent
