

Weslaco ISD Athletic Dept. has scheduled the following dates for the free Athletic Physical Evaluations for all incoming 7th grade thru 12th grade students who wish to participate in Athletics next school year. The dates are for **ALL** sports and **the Physical Evaluation will be FREE of charge on these dates ONLY.** The Physical Evaluations will be performed by Mid-Valley Pediatrics (Dr. Aviles and his staff).

WISD and the UIL have updated their Athletic Participation Forms and these new forms **MUST** be completed prior to taking the physical evaluation. **No other type of Physical Evaluation form can be accepted. By signing and returning the Pre-Participation Physical Evaluation Form you agree to allow Mid Valley Pediatrics (Dr. Aviles) and his staff to perform the evaluation.**

- No student will be allowed to take a free WISD physical exam unless the Pre Participation Physical Evaluation form is completely filled out and signed by both the student and a parent.
- Use blue or black ink only and print legibly.
- Double check and make sure all blank spaces are filled completely before you submit paper work.
- We will not accept incomplete forms.

Anyone who does not complete their physical evaluation by the designated date offered by WISD will be financially responsible to obtain one prior to the first day of practice. **No one is allowed to participate in athletic activities or practices until all WISD and UIL paperwork is completed, signed, & turned into the Athletic Trainers or Middle School Coordinators.**

You may choose to see your personal physician if you wish but keep in mind that you still have to use the designated forms provided by WISD and UIL. No other forms can be accepted. Any physical evaluation administered prior to April 1st will not be valid after August 1st. Forms can be printed from the WISD website or picked up from your child's coach or the Athletic Trainer.
