West Carroll SSD

West Carroll wants to keep you informed. Below is a list of media we use to notify parents about happenings at West Carroll and how to access the information.

West Carroll website at wcssd.org

This site provides a wealth of information about the school district. For example, school calendar, testing information, parent and student rights, board policy plus much more. We try to keep it up to date, but if you find outdated information or links to dead information, please let us know.

Link to School sites at wcssd.org

The link to school sites was closed for a couple of years, but we have reopened them and have a webmaster keeping them up to date with lunch menus, school happenings, athletic events plus more. Click on school tabs at wcssd.org.

NEW: West Carroll on Facebook

Follow us on the official FB page for West Carroll at https://www.facebook.com/West-Carroll-Special-School-District-1789050634671043/ or just search for West Carroll Special School District on FB.

Automated Calls

West Carroll's automated calling system has been changed and calls the primary phone number listed in our student management system. If you are not receiving calls and you would like to or if you are receiving the calls and wish to be taken off the call list, contact your child's school or send an email to: stuinfo@wcssd.org.

Email and Text Messages

Parents can also receive notifications via email and text messages. To sign up for this service, click on the NotifyMe icon at the bottom of the home page on the district website at wcssd.org. This link will take you to an on-line form to complete. You must receive a verification number via your cell phone to receive text messages. If the form doesn't ask you to complete this step, complete the sign up process then click on the NotifyMe icon again. If you have completed the sign-up process correctly, it will tell you this number or email is already on file and then asks if you want to edit account. You should receive the verification text message at this time. Contact stuinfo@wcssd.org for assistance.

District App

West Carroll does have access to an app for the district through SchoolInSites. It is available from the Google Play Store or iPhones Store by searching for SchoolInSites. You will be asked to identify the school for which you wish to download the app.

Finally

We hope you will take advantage of these services. Call your child's school or contact us at stuinfo@wcssd.org if you need assistance.
