White Pass School District is a small, rural district located in the foothills of Mt. Rainier and Mt. St. Helens in eastern Lewis County. The district serves approximately 400 P-12 students from the three unincorporated towns of Glenoma, Randle, and Packwood. The students are served on one central campus consisting of an elementary and a junior/senior high school located in Randle. This beautiful setting, a geographical area of about 1000 square miles, has enjoyed tremendous support from the community with the continual passage of the maintenance and operations levies. In addition, the community supported a bond which enabled a new junior/senior high school to be built and the elementary school to be remodeled. The successful candidate can enjoy an outstanding quality of life with opportunities to hike, hunt, fish, and snow ski, if so desired. The cities of Yakima, Seattle and Portland are all within a two hour drive. The quality of the staff and community support makes this an outstanding personal and professional opportunity.

The White Pass School District does not discriminate on the basis of sex, race, creed, religion, color, national origin, age, honorably discharged veteran or military status, sexual orientation including gender expression or identity, the presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by a person with a disability in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following employee has been designated to handle questions and complaints of alleged discrimination: Dr. Paul Farris, PO Box 188, Randle, WA 98377; (360) 497-3791 (Title IX/ Section 504/ ADA Coordinator/Compliance Coordinator for 28A.640 and 28A.642).
