This is an official request for a NV-AB7 diploma. The information required on this page is necessary to verify and protect your school record from being accessed by unauthorized individuals.

Attach a copy of proof of identification (drivers license, military ID, etc.)

Due to the High School Proficiency Examination (HSPE) no longer being a requirement under the Nevada Revised Statutes and guidance from AB 7's removal, a person who previously failed to receive a high school diploma or was denied graduation solely for failing to meet HSPE may now qualify for a standard diploma. You may complete the following application to determine your eligibility to receive a standard high school diploma. After your application is reviewed, you will receive notification if you will or will not be receiving your standard high school diploma.

If your request is approved, **ONE copy of your high school diploma and ONE official transcript will be mailed to you free of charge. Please allow 6-8 weeks to receive your transcript and diploma.**
