

**White Pine County School District**  
**1135 Avenue C Ely, Nevada 89301 (775) 289-4851 FAX (775) 289-3999**

**WPHS Automotive Service Technician/Diesel Technology Teacher**

**Classification:** Certified

Terms of Employment: 9 Months

FLSA STATUS: EXEMPT

This is a salaried position assigned to the Licensed Salary Schedule.

AST/Diesel Teacher reports to the building principal.

**POSITION SUMMARY:** The teacher will implement into daily instruction appropriate educational curriculum based on the Nevada CTE - Skilled Trades Standards and course syllabi. He/She will provide an in-depth study of auto service techniques and diesel technology and skills needed for employment or a career in related fields. The teacher will create and maintain an educational atmosphere that encourages effective student learning and supports school and district programs and goals. This person will be expected to adhere to the WPCSD policies and procedures and will report directly to the school site administrator.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:**

This list of Essential Duties and Responsibilities is not exhaustive and may be supplemented.

1. Administer appropriate district curriculum which is aligned with the Nevada CTE Standards.
2. Ensure the opportunity for all students to learn in a supportive environment.
3. Create and maintain a positive, orderly, and academically focused learning condition in the instructional environment.
4. Develop and implement the Components of an Effective Lesson for instruction using research based practices, high leverage instructional strategies (NEPF), and school driven initiatives for excellent instruction.
5. Analyze student progress and provide appropriate intervention.
6. Provide a classroom management/discipline plan ensuring safety at all times.
7. Ensure safety practices in an automotive laboratory.
8. Ensure assessment regulations and guidelines are followed at all times.
9. Develop an understanding of the automotive and diesel technology fields.
10. Develop a classroom climate that promotes positive learning conditions.
11. Work professionally with administrators, staff, parents, and community.
12. Integrate technology into the instructional program.
13. Participate in other job-related duties and activities related to the position as assigned.

**POSITION EXPECTATIONS:**

1. Demonstrate knowledge, skill, and ability to provide instruction in a secondary classroom (to be assessed using NEPF).
2. Work cooperatively with students, parents, peers, administration, and community members.
3. Guide the learning process toward achievement of curriculum goals.

4. Demonstrate knowledge in the understanding of the automobile, its subassemblies, and the scientific principles governing its operation.
5. Demonstrate skills in the correct use and care of automotive tools and equipment.
6. Establish and communicate clear objectives for all lessons, units, and projects.
7. Employ a variety of instructional techniques and strategies aligned with instructional objectives, in order to meet the needs of all students.
8. Participate as an active and contributing member in collaborative teams with other faculty and staff.
9. Maintain accurate and complete records as required by law and district policy.
10. Maintain and improve professional competence.
11. Communicate effectively both written and orally.
12. Demonstrate current knowledge of adolescent research and best practices.
13. Develop assessments following guidelines established for our standards-referenced grading system (i.e. including type 1, type 2, and type 3 questions).
13. Perform other job-related duties as assigned by principal.

**POSITION REQUIREMENTS**

**Education/Training and Experience\*:**

1. Bachelor's Degree from a regionally accredited college/university and/or coursework or training in the career and technical education area related to automotive service technology.
2. A minimum of two (2) years of verified, full-time work experience in the field of automotive service technology and/or diesel technology.

**Licenses and Certifications:**

1. Nevada teaching license issued by the Nevada Department of Education.
2. Endorsement or able to attain endorsement in relevant subject area.
3. Preferred certification by the National Institute for Automotive Service Excellence as a master automobile technician or as an automobile technician in brakes, electric/electronic systems, engine performance, and suspension and steering.
