

**WILKINSON COUNTY PRIMARY SCHOOL
ESEA FLEXIBILITY WAIVER PARENT NOTIFICATION NOSCHOOL
DESIGNATION**

July 27, 2017

Dear Parent(s)/Guardian(s):

On February 9, 2012 the Georgia Department of Education (GaDOE) received waivers from ten requirements of the Elementary and Secondary Education Act (ESEA) of 1965, as amended by No Child Left Behind (NCLB) of 2001. ESEA/NCLB requires that parents or guardians who have children attending a Title I school be notified of the school's academic achievement as well as a school's designation under Georgia's ESEA Flexibility Waiver. This letter is intended to provide additional information concerning the options available to your child under Georgia's ESEA Flexibility Waiver, and to help you understand what the waiver will mean for you and your child.

Beginning with the 2012-2013 school year, the GaDOE will transition from needs improvement (NI) school designations based on adequate yearly progress (AYP) reports to Reward, Priority, Focus and Alert Schools designations based on ESEA Flexibility Waiver formulas. Title I schools will now implement specific programs and interventions based on Reward, Priority, Focus, and Alert Schools status. In addition, the GaDOE ESEA Flexibility Waiver outlines Georgia's new Single Statewide Accountability System, the College and Career Readiness Performance Index (CCRPI). The CCRPI will serve as a comprehensive report card for all schools in Georgia. The state system will give parents, students, teachers and families a more complete and comprehensive picture of where a school or district is meeting performance expectations and where it is not.

The Georgia ESEA Flexibility Waiver also eliminated Supplemental Educational Services (SES) and Public School Choice (Choice). However, for schools designated as Priority or Focus, the Georgia ESEA Flexibility Waiver provides greater flexibility in designing a flexible learning program (FLP) tailored to the needs of the schools. As a result, these identified schools will have the capacity to serve more students in need of additional academic support.

I am very proud to tell you that Wilkinson County Primary School has not been given a school designation this year which means we are continuing to provide a quality education to all of our students. Because primary schools cannot earn points for Progress or for Achievement Gap (for the 2015-2016 school year), the Georgia Department of Education will not issue an overall 2016 CCRPI score for Primary schools.

At Wilkinson County Primary School, we take pride in the educational opportunities we are able to provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure academic success. We have evidence that students are learning and making good progress, and we consider this to be an important indicator of success. As we are achieving in many areas, we also know there is always room for improvement. An important part of our success is parent participation and support in developing activities to improve student achievement. We hope that as a parent/guardian, you will become involved in our school improvement initiatives as we continue to monitor student achievement and set high expectations.
