

PARENTS RIGHT TO KNOW

Local educational agencies (LEAs) must notify parents of their rights to request information regarding the professional qualifications of the student's classroom teachers. Also, in Title I schools the LEA must require the principal of each Title I school to submit an attestation annually requiring compliance with this provision.

In compliance with requirements, the Wilkinson County School District informs parents that you may request information about the professional qualifications of your child(ren)'s teacher(s). The following information may be requested:

- Certification
- College Major/Graduate Certification or degree held by the teacher
- Qualifications of the paraprofessional, if paraprofessional services are provided.

If you wish to request information concerning the qualifications of your child's teacher, please contact the principal or the Wilkinson County Board of Education at 946-5521.
