

**SECOND  
SEMESTER  
2016-2017**

# **PARENT ACADEMY**

**Engaging Families**

## FEEDBACK FROM PARENTS

**"I had no idea a school received a score (letter grade)  
based upon student performance on tests.  
It really shows we must work together to make our schools great!"**

Vinson-Bynum Parent, Preparing for the EOGs

**"Knowing the expectations of testing for my child  
makes it easier for me to help them."**

Barnes Parent, Preparing for the EOGs

**"I never knew there was so much  
my child has to know in kindergarten!"**

Jones Parent, Transitions to Kindergarten

**"We need more of these.  
You need to have workshops for parents all summer long."**

Hearne Parent, Transitions to Kindergarten

**"I love the activities that have been provided at the session I will be able to  
help my child at home with these! "**

Vick Parent, Helping your Child to Read

**"I had so much fun reading and sharing ideas of how to help my child at home."**

Winstead Parent, Helping your Child to Read

6:30 PM Understanding End of Year Assessments at Winstead Elementary School

# WILSON COUNTY SCHOOLS

## PARENT INVOLVEMENT POLICY

### **8501– Parent Involvement Policy**

**8501.1** In this policy, “parents” refers to the parents, legal guardians and legal custodians of students.

**8501.2** The Wilson County Board of Education recognizes that a child’s education is a responsibility shared by the school and family during the entire period the child spends in school. To support the goal of this school district to educate all students effectively, the schools and parents must work as knowledgeable partners. The district and each school support the active and on-going involvement of parents in the planning, review and improvement of instructional programs, as well as planning, review and improvement of the LEA and school level parental involvement policies.

**8501.3** Although Parents are diverse in culture, language and needs, they share this school system’s commitment to the educational success of their children. The school district and the schools within its boundaries, in collaboration with parents, shall establish programs and practices that enhance involvement of parents and reflect the specific needs of students and their families.

**8501.4** To that end, this Board of Education supports the development, implementation and regular evaluation of a parent involvement program in each school, which will involve parents at all grade levels in a variety of roles. The parent involvement programs will be comprehensive and coordinated.

**8501.5** The Title I program offers assistance to meet special educational needs of educationally and economically disadvantaged children according to federal guidelines. The Board encourages parents to participate in the design and implementation of the programs and activities in order to increase the effectiveness of the programs and the success of the children.

**8501.6** An annual school-level meeting will be held for parents of all eligible Title I children to discuss the Title I - funded programs and activities. Schools will document all group parent meetings by means of agenda and/or minutes to the Executive Director of Federal Programs. In addition to the annual meeting, the Board encourages parents to confer with their child’s Title I teacher on a regular basis.

**8501.7** Board of Education supports professional development opportunities for staff members to enhance understanding of effective parent involvement strategies. The Board also recognizes the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

**8501.8** Engaging parents is essential to improved student achievement. This school district shall foster and support active parent involvement. The participation of parents in the education of their children will be supported at various levels of involvement by the district and the schools. School parent involvement activities will include, but will not be limited to: annual meetings, regular meetings, training opportunities, coordination with other programs, opportunities for involvement of limited English proficient parents and parents with disabilities, evaluation of parent involvement programs and opportunities to volunteer and participate in school activities.
