

Important PowerSchool Information

Parents & Guardians: PowerSchool will be updated on May 1st to enable Parent Single Sign-On (SSO). SSO will allow you to create one login to access all of your Wolcott Public Schools students' PowerSchool information. Each parent can create his/her own login. You will create your account using the access codes you currently have to sign-in to the Parent Portal.

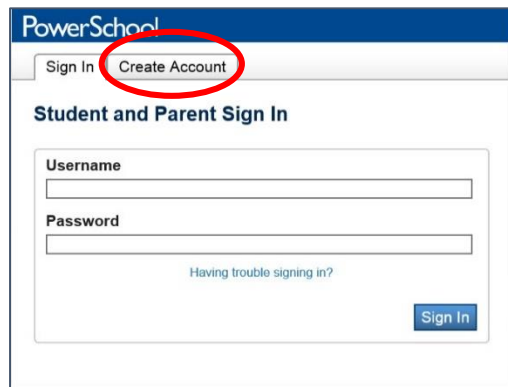

Student logins to the PowerSchool portal will not change. Currently, students in grades 6-12 have their own student logins.

On May 1st or after, please use the directions below to create your account.

Access the PowerSchool portal from Wolcott Public Schools website or use this link:

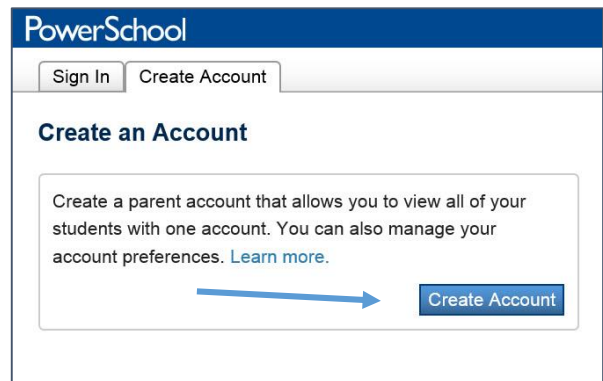

<https://wps-pschool.wolcottps.org/public/>

Step 1

The screenshot shows the PowerSchool login page. At the top, there are two buttons: "Sign In" and "Create Account". The "Create Account" button is circled in red. Below the buttons is the heading "Student and Parent Sign In". There are two input fields: "Username" and "Password". Below the "Password" field is a link that says "Having trouble signing in?". At the bottom right is a "Sign In" button.

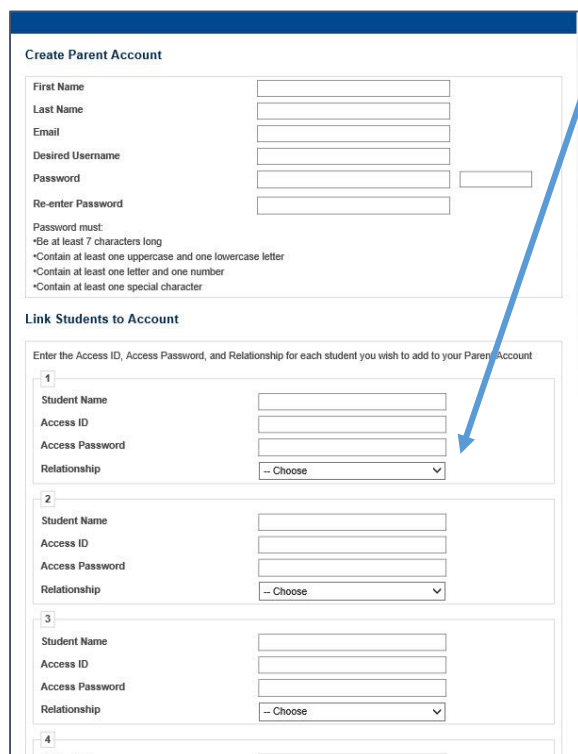

Step 2

The screenshot shows the "Create an Account" page. At the top, there are two buttons: "Sign In" and "Create Account". Below the buttons is the heading "Create an Account". There is a text box that says "Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. [Learn more.](#)". Below the text box is a blue arrow pointing to a "Create Account" button.

Step 3

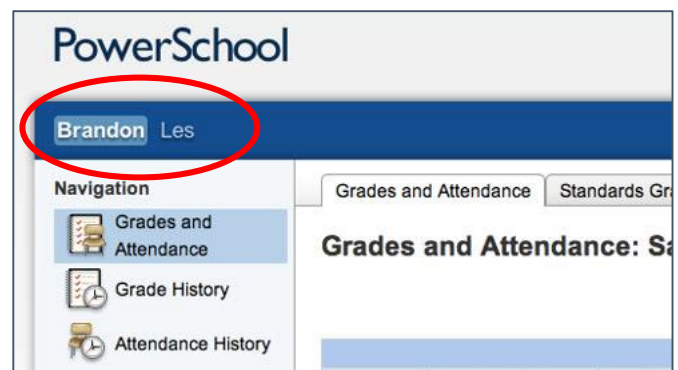

Complete the screen below and use the **Parent Access Codes** to complete the bottom of the form.

The screenshot shows the "Create Parent Account" form. It has several input fields: "First Name", "Last Name", "Email", "Desired Username", "Password", and "Re-enter Password". Below these fields is a "Password must:" section with four bullet points: "Be at least 7 characters long", "Contain at least one uppercase and one lowercase letter", "Contain at least one letter and one number", and "Contain at least one special character". Below the password section is the heading "Link Students to Account". There is a text box that says "Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account". There are four numbered sections (1, 2, 3, 4) for adding students. Each section has input fields for "Student Name", "Access ID", "Access Password", and a "Relationship" dropdown menu. A blue arrow points to the "Relationship" dropdown menu in the first section.

Step 4

Use your new login to access the PowerSchool Portal. After logging in, you will see your students' names at the top of the screen.

The screenshot shows the PowerSchool portal dashboard. At the top, the user name "Brandon Les" is displayed and circled in red. Below the user name is a "Navigation" menu with three items: "Grades and Attendance", "Grade History", and "Attendance History". To the right of the navigation menu is a "Grades and Attendance" section with a "Standards Gr" button and a heading "Grades and Attendance: Sa".
