Exclusion from School

Dear Parents,

In the hopes of clarifying any questions you may have regarding school policy on the exclusion of children from school for specific conditions, we have prepared the following list. Please keep this list for future reference. If you have any questions, please call your school nurse. She will be glad to help you.

Bronchitis, Croup treatment	Child may return to school after (48) hours of adequate
Chicken Pox	Excluded for (7) days and rash has scabbed over
Conjunctivitis (pink eye)	May return to school after (24) hours of adequate treatment or when cleared
Fever	Child may return to school after temperature is below 100° for (24) hours
Fifth Disease	Child may attend school
Impetigo	May return after (24) hours of antibiotic treatment
Lice	Child excluded until condition treated & child is <b>completely cleared</b> of lice & nits
Pneumonia	Child may return to school after (3) days of adequate treatment
Strep Infections	Child may return to school after (24) hours of adequate treatment
Vomiting and/or Diarrhea	May return after (24) hours without symptoms
Shingles	May return with a note from physician – must be covered
Scabies	Child may return to school after adequate treatment and note from physician
Coxsackie	May return after (24) hours fever free

Sincerely,

  
William Brownstein, MD  
School Medical Advisor
