February 5, 2021:

Safely Increasing Opportunities for In-person Learning

In response to the declining COVID-19 infection rates in our town and schools, we have constantly reassessed our instructional model. As infection rates remain relatively low, we can safely open our schools to more in-person learning for students across the grade span. The table below outlines the tentative plan for Wednesdays beginning in March. Students will attend the typical early-dismissal schedule for their school. Teachers' will work their typical full day with needed time for planning and collaboration after the students depart.

Wednesday Date:	Elementary Schools Pre-Kindergarten – 5 th	Tyrrell Middle School 6 th – 8 th	Wolcott High School 9 th – 12 th
March 3, 2021	Special Needs, English Learners, and students currently in danger of retention Other students will still have asynchronous Flex activities and virtual access to their teachers from home	Special Needs, English Learners, and students currently in danger of retention Other students will still have asynchronous Flex activities and virtual access to their teachers from home	Flex Wednesday All staff report to school
March 10, 2021	All students	Special Needs, English Learners, and students currently in danger of retention Other students will still have asynchronous Flex activities and virtual access to their teachers from home	Freshmen (only) report to school for PSAT-9 testing
March 17, 2021	All students	Special Needs, English Learners, and students currently in danger of retention Other students will still have asynchronous Flex activities and virtual access to their teachers from home	Sophomores (only) report to school for PSAT-10 testing
March 24, 2021	All students	All students	Juniors (only) report to school for SAT testing

** As has been the case with all of the 2020-2021 school year to date, these plans will remain fluid and subject to change as we continually monitor COVID-19 infection rates within our schools and the community and our ability to provide sufficient staffing. If cases appear to surge, schools may transition to less in-person learning in consultation with Chesprocott Health District.*
