1 red pen

1 highlighter

1 pencil

Dear Parents/Guardians,

School will be starting soon, and I would like to take this opportunity to welcome each of my students to a brand new year! I like to be organized so students know what to expect when they come to my class. We will be working in a variety of areas based on the North Dakota Standards for English that include literature, grammar, vocabulary, various writing methods, integrated media and technology, and speech. Google Classroom will be the media platform used in my class which means that students will have online access to the day's objectives, instructions, assignments, deadlines, and any other relevant material that will be used during that class time. Students will also demonstrate their knowledge in a variety of online Daily Warm-Ups. Communication is very important so please don't hesitate to contact me if you have any questions or concerns. My email address is the following: stacey.strenge@k12.nd.us. When school starts, you will be receiving information on how emails can be sent to you updating you on your child's progress in Google Classroom and the Accelerated Reader Program (Renaissance Home Connect). In addition to this, you will also have instant access to your child's grades on PowerSchool. A list of supplies students will need is at the bottom of this letter. I look forward to working with your child this year. If you have any questions, please contact me.

Sincerely,

Stacey Strenge
