

Janet M. Serino
Superintendent

March 25, 2020

Dear Parents/Guardians,

The COVID 19 Virus has created disruptions across our society and we sincerely hope that all of you and your families are doing well, both physically and mentally. This situation certainly has not been easy and we want to send our best wishes to each of you during this time.

The Wyoming Area School District is working with the guidance of the Pennsylvania Department of Education and the LIU 18 to develop a plan for the continuity of education. We understand that there are a great number of questions and concerns our students, families and faculty/staff have about education programming while maintaining the requests of our local, state, and federal governments.

The Wyoming Area School District will be providing families with informal activities to reinforce or extend students' prior learning. Over the next several days, administration will be conducting virtual meetings with our faculty and staff members.

Through the remainder of this week, the administration will work with our Technology Department to revise information on the Wyoming Area Website to provide families with additional links, apps, and activities for their children during the mandated school closures. The revised section will be available starting on Monday, March 30, 2020.

For families of students with exceptionalities, our special education department will continue to hold annual Individualized Education Program (IEP's), Reevaluation and Gifted Education Plan (GIEPs) meetings; meetings without additional data. These IEP/GIEP Team meetings will be held within the due dates via phone conference or other virtual means. Your child's case manager and/or the Special Education Department Secretary will contact parents/guardians to make arrangements for meetings.

If your family is having difficulty with internet access or technology access, please contact the district via phone at 570-655-2836, extension 2361 or via email at techsupport@wyomingarea.org.

The District will continue to update families about our response to the COVID 19 situation as the further information becomes available from the state or federal level.

Thank You

Wyoming Area School District Administration

ADMINISTRATIVE STAFF

Robert Galella <i>Director of Curriculum and Instruction</i> 570-655-3733	Jon Pollard, Ed. D. <i>Secondary Center Principal</i> 570-655-2836	Cathy Ranieli <i>Asst.
