

**Janet M. Serino**  
Superintendent

Kindergarten, Primary, and Intermediate Center Families,

The Elementary Administration would like to update everyone on our new attendance policy. Students will still be expected to answer an attendance question in their appropriate Google Classroom. Students will have 48 hours to complete all assignments, assessments, etc. from the time they are posted.

Students must answer their attendance question each day and complete their school work within 48 hours in order to be marked present. If work is not completed within 48 hours of the assignment being posted, teachers will be able to mark students absent for previous school days.

This will go into effect on Monday, November 23rd. Students must log in and check in with their Homeroom Teacher each day, if they are attending live lessons. All students must attend all live sessions for the entire period/day through Google Classroom to be marked present. If a student is working asynchronously, they must answer the attendance question by 8:00 P.M. each day.

**Kindergarten students** working asynchronously will have until **11:59P.M.** on **Sunday** to complete their assignments. **Kindergarten students** can submit their work by taking a picture and sending it to their teacher, faxing the work to 570-602-0943, or by dropping off completed worksheets/packets in the bin on the porch of the Kindergarten Center. If you have any questions or concerns, please contact the appropriate school below:

**Kindergarten Center**

Student attendance during virtual learning sessions is extremely important. Student attendance is being tracked and truancy proceedings will continue throughout the school year. If you have any questions or concerns about your child's attendance, please contact your child's school listed above.

Thank You,

Elementary Principals
