Mrs. Cathy Ranieli
 Assistant Principal

Dr. Jon Pollard
 Principal

Mr. David Pacchioni
 Asst. Principal of Discipline

August 8, 2018

Dear Parent/Guardian,

We hope your summer is going well. The district has received the Keystone Exam results for the Spring 2018 Testing Window. In an effort to provide the results of those exams quickly, as well as historical testing data for your child, we have uploaded the data to the CSIU System.

You can access this data by logging in to the CSIU Parent Portal or the CSIU Student Portal. All students have a portal account and they should have the login information to access their account.

If you do not have a CSIU Parent Portal Account, you can create one. Information about creating a Portal Account can be found on the Wyoming Area Website, under the Parent Tab. You can use this link to access it directly: <http://www.wyomingarea.org/Default.asp?PN=Pages&SubP=Level1&PageID=20137>

Once you have logged in, you can click on the Assessments Tab near the top of the screen. Here you will see a screen that has a table similar to this in the center:

Assessments																										
Date	Assessment	Language	Accommodations	GR	SM	GS	RA	CSI SS	LP	NP	NC	NS	LS	LV	AS	ACHRA	ACHRB	ACHRC	ACHRD	ACHRE	MULT	OPEN	M1S	M1P	M2S	M2P
X 05/01/2018	Keystone Literature	English						1552						3									1518	1	1602	1
X 05/01/2017	Keystone Biology	English			9			1528						3									1536	1	1521	1
X 05/01/2016	Keystone Algebra	English						1543						3									1524	1	1569	1
X 04/03/2016	PSSA ELA	English			8		1024							Pro												
X 04/03/2016	PSSA Math	English			8			956						Bas												
X 04/03/2016	PSSA Science	English			8			1391						Pro												

To determine how your child scored on a specific assessment, pick the row of the exam and you should look at the columns marked SS (Scaled Score) and LV (Performance Level).

The SS (Scaled Score) indicates the total score of their test result. Please do not compare Scaled Scores across content area exams as the each content area has its own scale.

The LV (Performance Level) indicates whether your child scored Below Basic (1), Basic (2), Proficient (3), or Advanced (4) on the Exam.

A more detailed Parent Report about your child's Keystone and PSSA Exam performance will be distributed for to Students at the start of the 2018-2019 School Year.

Please contact your child's Guidance Counselor if you have any questions about the how to interpret these results.

Thank You,

Wyoming Area Secondary Center Administration and Guidance Department
