

Wyoming Area School District  
Secondary Center  
252 Memorial Street  
Exeter, PA 18644  
570-655-2836

August 2019

Dear Parent/Guardian,

As has been previously announced, the Secondary Center is transitioning to a paperless environment for Progress Reports and Report Cards. Starting with the 2019-2020 School Year, **families will only receive paper copies of Progress Reports and Report Cards if they request to receive paper copies.**

Students and Parents/Guardians will be able to access electronic copies of the student's quarterly Progress Reports and Report Cards through their Student Portal and Parent CSIU Portal. **Reminder that this is for the Secondary Center ONLY (Grades 7 thru 12)**

If you have not set up a CSIU Parent Portal Account, please visit the Wyoming Area Website and click the Parents section (found along the right hand side).

**If you would like to opt in to receiving paper copies of Progress Reports and Report Cards, please complete the form below and return it to the Main Office no later than September 20, 2019.** To ensure accuracy, we are requesting you submit a form for each of your children. If you choose to switch your choice through the course of the year you may do so.
