

Attention Students: Governor Tom Wolf announced that all K-12 Pennsylvania schools will be closed through the end of the 2019-2020 school year. Please read below to see how Wyoming Area Cyber will be impacted over the next two months.

April 20th – 24th

During the week of April 20th, Wyoming Area School District will continue with the “Enrichment and Review” phase of the district’s Continuity of Education plan.

- Homeroom will not be held.
- This week offers two options for student engagement:

Option 1

Students may reference “Supplemental Instruction” content, which displays above MOD #01 in many of your core courses. The “Review and Enrichment Instruction” content will not be graded, but will provide you with a deeper understanding of concepts previously covered in your core courses, and a great foundation for future learning.

Option 2

As of April 6, 2020, the administration began permitting students to continue working on their MODs; however, if a student moves on to any NEW (4th Marking Period) MOD, grading, teacher feedback, and guidance/assistance will be on hold until the week of April 27th. This includes the following:

Full Year Courses MODs #28 - #32

Spring Courses MODs #10 - #14

April 27th – June 12th

Beginning April 27th, Wyoming Area School District will transition to the “Planned Instruction” phase of the district’s Continuity of Education plan.

- Homeroom will be held, and daily attendance will be mandatory.
- Coursework completion will be required (it will count towards your 4th marking period grade) and grading/feedback WILL be provided.
- To follow is a summary of the MOD due dates:

MOD	Due Date
MOD #28/10	Sunday, May 3 rd
MOD #29/11	Sunday, May 10 th
MOD #30/12	Sunday, May 17 th
MOD #31/13	Sunday, May 24 th
MOD #32/14	Sunday, May 31 st

We appreciate everyone’s patience throughout the evolution of the school district’s Continuity of Education plan. These are unprecedented times and our ultimate goal is to ensure all students receive the best possible education and resources. Stay safe and healthy!
