

PRINCIPAL'S MESSAGE

Dear LHS Students,

Welcome back to all returning students and new freshmen students. I hope that this year brings you much success as you begin or continue your educational journey through Ludlow High School.

Our mission at Ludlow High School is to provide **L**eadership with character, **I**ntegrity with compassion, encourage **O**riginality, develop **N**ational citizens in a global world, and provide **S**kills for the 21st century. This handbook contains important information along with our expectations that will help guide you through your learning experience here at LHS.

This student handbook also contains important information about the school's code of conduct, discipline policies and procedures, and students' rights. Translations of this handbook in your primary language are available on the district's website.

Additionally, this handbook contains information regarding our academic and co-curricular programs. These programs are organized and funded for your benefit and support our mission to provide you with as many meaningful experiences as possible. Your journey here at LHS will be enhanced if you participate in our many co-curricular activities and clubs. Enhance your skills and find your talents so that you are prepared to be a productive member of society in the 21st century.

Good luck in your 2020-2021 school year!

Lisa A. Nemeth

Principal

NONDISCRIMINATION STATEMENT

The Ludlow Public Schools does not discriminate on the basis of race, color, sex, gender identity, religion, national origin, sexual orientation, age, disability, genetic information or testing, in admission to, access to, employment in or treatment in its programs and activities.

This handbook is not intended to be a contractual commitment to parents. It reflects the current status of the school district's rules and policies as approved by the Ludlow School Committee.
