The purpose of this trip is to compete in the UCA National Cheerleading Competition, at Disney World. The FHS cheerleaders have won a bid to compete by placing first in the North Alabama Cheerleading Competition. Our objective in attending is to represent our families, Forrest School, and Marshall County in a positive manner, compete in a national competition to the best of our abilities, and hopefully bring home a trophy for our squad and our school. This is not an academic trip, so there is not a relationship to curriculum standards, but I believe that participating in an athletic contest like this teaches students that hard work, practice, and determination pay off by allowing us an opportunity to compete at a higher level than we have in the past. These are life skills that I encourage my cheerleaders to exhibit in the classroom as well as in our cheerleading competitions.
