Administrative Procedures

5.1

Effective Date: 02/25/19

Revised Date:

**Section: Personnel**

**Subject: Teacher Effect Data**

**Related Policy: 5.1141 Teacher Effect Data**

**I. DEFINITIONS**

**II. PROCEDURES**

Teacher Effect Data is not public record. It is available only to the specific teacher and the teacher's appropriate administrators as designated by the local board of education and school board members. The estimates of teacher effects may be made available to state board approved teacher preparation programs for evaluation of the program only, not for public record.

The estimates of teacher effects on the educational progress of students may be made available to parties conducting research for, or on behalf of, the department, schools, LEAs or postsecondary institutions as long as the estimates are not public record and used only for research purposes. Each party receiving the estimates for research purposes shall execute a signed data sharing agreement with the entity providing the data that includes provisions safeguarding the privacy and security of the data.

Any request for Teacher Effect Data must be approved by the Director of Schools or the Human Resource Supervisor.
