Administrative Procedures

6.7

Effective Date: *April 30, 2012*

Revised Date:

Section: *Students*

Subject: *Medical Emergencies of Students while Riding the School Bus*

Related Policy:

I. DEFINITIONS

II. PROCEDURES

Medical Emergency procedures:

1. Stop the bus in a safe area and turn on the hazard lights.
2. Contact 911 and state the nature of the emergency; then contact the bus garage.
 - a) Student's age, bus location, and the nature of the emergency may necessitate decisions and/or adjustment by the driver regarding this procedure.
3. Attend to the needs of the student (according to your ability).
4. Wait for EMS, police and/or an administrator's directive before moving the bus.
