# Classroom News

—Ms. Crabtree's class—

## Welcome to 3rd Grade!

Students will bring home a weekly newsletter in their orange folder. This week's newsletter includes all of the information and procedures used in our room!

### Class Info:

Tardy Bell 7:45

Lunch 10:50

PE 12:30

Dismissal 2:45

Please feel free to contact me through Remind, Instagram, or email—[kdcrabtree@chiltonboe.com](mailto:kdcrabtree@chiltonboe.com).

Please remember to join my class Remind for updates. Text "@724b4b" to 81010.

## Homework/AR

Homework will be sent home as needed. However, you will need to study for our weekly spelling, vocabulary, and multiplication tests. You will also need to review sight words and fluency passages NIGHTLY with your child. We will have timed weekly multiplication tests on Monday, and if a 100 / is not scored on Monday, they have the whole week to achieve the facts. We will also have a weekly P.O.D. (Problem of the Day) and will test on those on Fridays. The spelling test will occur every Thursday, and vocabulary tests will happen on Fridays. Students are expected to read their AR book a minimum of 20 minutes nightly. Students are required to have 8 AR points every 4.5 weeks. Students should be testing around 1 book per day, unless it is a chapter book. Please make sure your child is reading regularly. Their progress will be sent home weekly with weekly papers.

## Communication Folders

Your child's orange communication folder will be very important this year. All newsletters, homework, important notes, etc. will be placed in this folder. Please check the folder daily and send all money, notes, or documents in that folder.

### Ms. Crabtree's Tips for Success:

1. Read an AR book nightly and test on it the next day!
2. Study multiplication facts nightly! (Make flash cards... This really helps!)
3. Practice your fluency passages and sight words nightly!
4. Try your best and SMILE! :)

## THANK YOU!!!!

Thank you so much to those of you who have sent in supplies and donated to our classroom! These supplies and donations will help so much throughout the year! If you haven't sent your child's supplies, please try to do that before next week!

### SCHOLASTIC BOOKS

I have set up a Scholastic account to make it easy for you to order books for your child! With every book you order, it puts points in my account and allows me to score some sweet books for our classroom library.

Class Code— VXVD4
